

## SAFETY DATA SHEET

This SDS complies with European Regulation (EC) No. 1272/2008 (CLP) and (EC) No. 609/2009.

### Section 1: Chemical Product and Company Identification

#### Product Identification

Product Name: **IsolaClean**  
Trade Name: **IsolaClean**  
Manufacturer: **IsolaChem**

#### Company Information

IsolaChem, S.A. | 12345 Main Street

IsolaClean is a registered trademark of IsolaChem.

For more information, please visit our website: [www.isolaclean.com](#)

#### Classification

##### Physical Properties

Appearance: **White Powder**  
Odor: **Odorless**

##### Chemical Properties

Chemical Formula: **C<sub>10</sub>H<sub>8</sub>O<sub>2</sub>**  
Molecular Weight: **152.15 g/mol**  
Flash Point: **Not Applicable**

### Section 2: Hazard Identification

IsolaClean is classified as a **Very Toxic** substance.

#### Physical Hazards

Flammable: **No**  
Explosive: **No**  
Corrosive: **No**  
Oxidizing: **No**  
Reactive: **No**

IsolaClean is classified as a **Very Toxic** substance.

Health: **Very Toxic**  
Environment: **No**  
Hazardous: **No**  
Hazardous: **No**  
Hazardous: **No**

### Section 3: Composition, Information on Ingredients

| Ingredient Name                  | CAS No. | EC Number No. | Percentage | Hazard Statement |
|----------------------------------|---------|---------------|------------|------------------|
| IsolaClean (Active Ingredient)   | 1234567 | 1234567       | 100%       | Very Toxic       |
| IsolaClean (Inactive Ingredient) | 1234567 | 1234567       | 100%       | Very Toxic       |

### Section 4: Usage and Precautions

IsolaClean is a **Very Toxic** substance.

IsolaClean is a **Very Toxic** substance.

IsolaClean is a **Very Toxic** substance.

IsolaClean is a **Very Toxic** substance. It is highly flammable and can cause severe skin irritation. It is also highly toxic to aquatic life and can cause environmental damage. It is important to use IsolaClean safely and to follow all safety instructions. It is also important to store IsolaClean in a secure and safe place. It is also important to dispose of IsolaClean properly.
